DEALING WITH US

Principal

In our dealings with you,

- (a) we will act as principal to all trades and not as agent on your behalf. Accordingly, we will be the counterparty to all of your trades;
- (b) unless we agree otherwise in writing, you will also deal with us as principal, and not as an agent or representative of another person. This means that unless we have otherwise agreed in writing, we will treat you as our Client for all purposes and you will be directly and personally responsible for performing your obligations under each Contract entered into by you, whether you are dealing with us directly or through an agent.
- (c) If you act on behalf of a principal, whether or not you identify that principal to us, such principal will not be a client of ours. We will accept no obligations to them and will only deal with you, unless we otherwise agree (on satisfaction of our requirements);
- (d) if you are a principal and wish to deal with us through your agent, you agree that we will be entitled to rely on any instructions given to us by the agent in relation to your Account. But, from time to time, we may require confirmation that the agent has authority to act on your behalf; and
- (e) dealing with you will be carried out by us on an execution-only basis unless otherwise agreed by us.

Relationship Between Us and You

Nothing in this T&Cs:

- (a) creates or will be deemed to create a partnership, a joint venture, the relationship of principal and agent or employee and employer or any other relationship as between you and us; or
- (b) authorises you to act, or to enter into any contract or other agreement, on behalf of, or bind us except as otherwise expressly provided in this T&Cs.

Financial Product Advice

- (a) Any information or financial product advice that we give you is generic in nature and does not take into account your financial situation, needs or personal objectives. In particular, you acknowledge that we do not give you personal advice about whether you should open, hold or close out a Contract. You must consider the appropriateness of entering into a Contract having regard to your

own financial situation, needs or personal objectives and obtain your own independent financial advice.

- (b) Intelligent Financial Markets does not provide any advice to you on any tax related matters. Intelligent Financial Markets encourages you to obtain independent advice from your financial advisor, auditor and/or legal counsel with respect to tax implications of the Products.

- (a) Despite the fact that previously we may have taken action in relation to that trade or any other, you agree that we are under no obligation:
 - (i) to satisfy ourselves as to the suitability of any trade for you;
 - (ii) to monitor or advise you on the status of any trades;
 - (iii) to make Margin Calls; or
 - (iv) to close any open Contract,
- (b) All trades will therefore be made at your own risk and to the maximum extent permitted by law, we will not in any way be liable for any claims, damages, Losses (including consequential losses) or injury suffered or incurred by you as a result of or arising out of any statement, information or communication provided by, or on behalf of, us relating to a trade or Product entered into or proposed to be entered into by you under this T&Cs.
- (c) You will not be entitled to ask us to provide you with investment advice relating to a Contract or ask us to make any statement of opinion to encourage you to open a particular Contract. We may, in our absolute discretion, provide information:
 - (i) in relation to any Contract about which you have enquired, particularly regarding procedures and risks attaching to that Contract; and
 - (ii) by way of factual market information, however, we will be under no obligation to disclose such information to you and in the event of us supplying such information it will not constitute personal advice. If, notwithstanding the fact that dealings between you and us are on an execution-only basis, a representative of ours makes a statement of opinion (whether in response to your request or otherwise) regarding any Product or Contract, you agree that it is not reasonable for you to, nor will you be entitled to, rely on such statement and that it will not constitute personal advice.
- (d) You must understand the risks of dealing in our Products and agree to rely solely upon your own judgement in dealing with us. We are not under any responsibility and have no duty of care to monitor your trades or to prevent you from trading beyond your means or ability or otherwise to protect you.
- (e) We will not, in the absence of fraud, wilful default or negligence be liable for any Loss (including, without limitation, indirect or consequential losses or loss of opportunity or profits arising from any failure by you to make any anticipated profits), costs, expenses or damages suffered by you arising from any inaccuracy or mistake in any information or advice, or unsuitability of any advice, given to you, including without limitation, information or advice relating to any of your Contracts with us.
- (f) Subject to our right to void or close out any Contract as set out in this T&Cs, any Contract opened by you following such inaccuracy or mistake will nonetheless remain valid and binding in all respects on both you and us.

- (d) You may appoint an attorney (under a power of attorney in the relevant jurisdiction) to give instructions and place orders on your behalf or otherwise to do anything which you are entitled to do in connection with or under this T&Cs. You must notify us in writing of any such appointment setting out the attorney's details. You must provide us with a written power of attorney. We may accept or reject this power of attorney.
- (e) We may allow you to authorise your Authorised Person or attorney to do anything which you are entitled to do under this T&Cs, including on conditions determined by us.

Instructions by an Authorised Person

- (f) For the purposes of this T&Cs, any dealing instructions placed by, and other instructions or directions given by, an Authorised Person (or which appear to us on the face of the dealing instructions or other instructions or directions to be placed or given by an Authorised Person) are taken to be your dealing instructions or directions.
- (g) You are and remain solely liable and responsible for all acts and omissions of your Authorised Person notwithstanding the act or omission of the Authorised Person was:
 - (i) outside their actual or ostensible authority; or
 - (ii) in error, fraudulent, negligent, in breach of their fiduciary duties or criminal.
- (h) You agree not to make, and you release us from any liability to you under your right to make, any Claim against us for any loss incurred or suffered by you which arises directly or indirectly due to us relying on instructions from or other communications from or acts or omissions by your Authorised Person (including your attorney).

Further Instructions and Communication

- (a) We may require further instructions from you in respect of any Contracts or proposed Contracts, and if we do, you must promptly provide us with that information. If you do not, we may, in our absolute discretion take all such steps at your cost as we consider necessary or desirable for our or your protection. This does not detract from your responsibility to keep yourself informed at all times as to the key dates and events affecting your Contracts.
- (b) Any notice or any other communication to be provided by us to you, including Account statements and Confirmations, may at our discretion be sent to you in electronic form via e-mail or by display on the Trading Platform. You are obliged to provide us with an email address for this purpose. An email is considered received by you when sent from us. We are not responsible for any delay, alteration, redirection or any other modification an email or other message may undergo after transmission from us. A message on your Account on the Trading Platform is considered received by you when we have placed the message on the Trading Platform. It is your responsibility to ensure that your software and hardware setup does not prevent you from receiving emails or accessing the Trading Platform.
- (c) You are obliged to verify the contents of any communication, notice, statement or document, from us whether sent electronically or in print. Such content shall in the absence of manifest error be

- deemed conclusive evidence, unless you notify us in writing to the contrary immediately after having received such communication, notice, statement or document.
- (d) In order to protect your and/or our interests, you shall promptly carry out any action, which we may reasonably request. If you do not carry out such an action promptly, we may in our sole discretion take such steps if allowed under this T&Cs, at your cost, as we consider necessary or desirable for our or your protection. This provision is similarly applicable in situations where we are unable to contact you.
 - (e) We may (but are not obliged to) require confirmation in such form as we may reasonably request if an instruction is to close an Account or remit money due to you or if it appears to us that such confirmation is necessary or desirable.
 - (f) You shall be able to communicate with Intelligent Financial Markets in English or any other language as Intelligent Financial Markets may permit from time to time.
 - (g) We may also, although we are not obliged to, require confirmation of any Order or instruction:
 - (i) if any instruction is to close an Account or remit money to you; or
 - (ii) if it appears to us that confirmation is necessary or desirable.

Use of the Trading Platform

- (a) The technical requirements, which your IT equipment, operating system, internet connection etc. shall comply with, are described on the Trading Platform.
- (b) The right to use the Trading Platform is strictly personal, and you shall not allow any other parties to use your user ID and/or password.

Reporting to You

- (a) **Confirmations:** A Confirmation will appear in the Trading Platform each time a Contract is entered into by us with you. You agree to receive Confirmations in this form. If the Confirmation does not appear on the Trading Platform within two (2) minutes you must contact us immediately. If you do not do so within twenty-four (24) hours, what we have recorded in relation to the Contract will be deemed to have been accepted by you. The prices quoted in the Confirmation will be net of any charges (excluding Commissions), which may not be separately identified.
- (b) **Daily statement:** We will not provide daily statements in respect of an Account.
- (c) **Trading Platform:** You agree and acknowledge that:
 - (i) Confirmations, monthly statements and other reports are available to you via our Trading Platform;
 - (ii) you authorise us to use the Website, Trading Platform or email as the means of providing the Confirmations, Account statements and other reports we make;
 - (iii) you will access and use such Trading Platform, Website, and emails to:
 - (A) receive the Confirmations, Account statements and other reports we provide;
 - (B) verify all Contracts and Confirmations; and
 - (C) monitor your obligations under the Agreement.
 - (iv) It is your responsibility to check the Trading Platform regularly for communication from us; we will not be responsible for communication that you do not receive if you fail to do so.
- (d) We may send Confirmations, Account statements and other reports that we provide, by post or by any other means.
- (e) You must verify the contents of each document you obtain from the Trading Platform. Such documents will, in the absence of Material Error, be conclusive unless you notify us in writing to the contrary immediately within twenty-four (24) hours of receipt in the case of a Confirmation or within three (3) Business Days of extracting an Account statement or any other reports.
- (f) You agree that in the event that a Confirmation, Account statement or other report is provided to you in accordance with this clause, the time for objecting to the contents of a document under this clause 6.5 is the earlier of either the date you receive the report and when the report is posted on the Trading Platform by us, subject to the timeframe in clause (e).

CONSENT TO RECORDING OF TELEPHONE CONVERSATIONS

- (a) You consent to:

- (i) the electronic recording of your telephone discussions with us, with or without making a disclosure to you each and every time you speak with a representative of Intelligent Financial Markets. These calls may be recorded with or without an audible tone; and
 - (ii) the recording and retention of all electronic communications with us, including but not limited to communications by email or through the Trading Platform, with or without any further warning to this effect during the communication; and
 - (iii) use of recordings, transcripts or electronic communications from such recordings for any purpose, including, but not limited to, their use as evidence by either party in any dispute between you and us, monitoring and training our staff, and monitoring compliance with regulatory and contractual obligations.
- (b) If there is a dispute between us and you, you have the right to listen to any recording of those conversations (if still available). Nothing in this Agreement obliges us to keep a recording or to notify you that we have eliminated a recording.

MARKET DISRUPTION

- (a) Where there is a suspension or halt in the Underlying Market for an Underlying Instrument and we believe that we can no longer perform our obligations under the Contract on the same economic basis as that Underlying Instrument on the terms of the Contract when the Contract was originally entered into, then we will give notice to you of that fact and will, at your request, provide you with reasonable evidence of such circumstances, although our determination will be conclusive.
- (b) At any time following our giving of notice to you under this clause, we may halt trading and the use of Client Money in the Contract.

OPENING A TRADE

Opening a Trade

- (a) You will be able to open or close a Contract and execute Orders via the Trading Platform.
- (b) We will have no liability to you for any technical problems, including a loss of internet connection, resulting in you being unable to trade at any given price.
- (c) We do not warrant that the Trading Platform will always be available or accessible when the Underlying Instruments in respect of which you have traded or wish to trade are open and we reserve the right to remove altogether or reduce the service at any time for any purpose, without thereby incurring any liability to you.
- (d) If our computer records are different to your own records or recollection of your trading, the version of events recorded contemporaneously by our computer will prevail and our obligations to each other (including the obligation to pay any money) will be assessed and calculated on the basis that our contemporaneous computer records are correct and are conclusive evidence of the matters they record.

Minimum Trading Size and Maximum Trading Size

The size of your Position must exceed or be equal to Minimum Trading Size and must not exceed the Maximum Trading Size. These are available on the Trading Platform and in the Personal area. You agree that the version on the Trading Platform and in the Personal area is the most up to date version. We may change it at any time.

Formation of Contract

- (a) Entering a 'buy' or 'sell' Order on the Trading Platform will send a message to us indicating that you wish to trade on the Product indicated. This message will constitute an offer by you to buy or sell at the price and trade size chosen. We are entitled to accept or reject that offer. If we accept the trade, we will send you a Confirmation on the Trading Platform to this effect. Your trade will not have been placed and no Contract will come into existence until a Confirmation is generated on the Trading Platform. You must wait for the Confirmation to appear after clicking 'buy' or 'sell' and should you not receive the Confirmation within two (2) minutes you must notify us immediately.

- (b) If you do not receive a Confirmation and you do not notify us as required, you will be deemed to have agreed only to the transactions recorded by us. Similarly, if you dispute the contents of any Confirmation sent by us to you, you must notify us immediately upon receipt by email or telephone; if you do not, the transactions recorded by us will be deemed to have been agreed by you.
- (c) Subject to any other provision in this T&Cs, each Contract opened by you will be binding on you notwithstanding that by opening the Contract you may have exceeded any credit or other limit applicable to you or in respect of your dealings with us.

Position Duration

Other than for Excepted Contracts and subject to clause 9.2, a Position has no inherent limit to its duration and, subject to the payment of Margin and other relevant sums, can continue indefinitely. We may close any Position opened by you at the prevailing rate or price available at the time on the Trading Platform if there is an Event of Default or in accordance with clause 9.2.

Opposing Contracts

When you run opposing Contracts in a Product, both Contracts will appear in your Account and they will be treated as two open Contracts. However, we reserve the right to net the value of the opposing Contracts.

Profit and Losses

You further understand that a payment will pass between us equal to the difference in value expressed in the Base Currency between the opening price of all Positions and their Closing Prices. If you make a profit, we must pay a sum to you equal to that profit. If you make a Loss you must pay to us a sum equal to that loss.

CLOSING A CONTRACT

When Can a Contract Be Closed

- (a) A Contract may be closed out by selecting a Position in the Trading Platform and then closing it (on the Trading Platform by clicking the "Close" button for that Position).
- (b) We may exercise any of our rights under this T&Cs to close a Position at any time.

Automatic Closure After One Year

- (a) We reserve the right to close a Contract after three (1) year from the date the Contract was first entered into if it has not been rolled over under this T&Cs.
- (b) It is your responsibility to be aware of the date and time a particular Contract will be closed.
- (c) This T&Cs allow us a range of rights, in addition to clause (a), to close your open Positions. Where we exercise any of such rights, we will do so irrespective of the date on which the Position closes automatically under clause (a) of this T&Cs.

Contract Price at Closing

- (a) Where:
 - (i) we exercise any of our rights under this T&Cs to close a Contract; or
 - (ii) a Contract closes automatically under clause 9.2 (a) of this T&Cs,
 we will determine the Contract Price at the time of closing in accordance with the current prices then being quoted by us.
- (b) A Contract will close at the Contract Value at the time of closing as calculated by us, which will equal:

Contract Price x Contract Quantity

 and as notified to you.

Closure During Trading Day

Where a Contract has been closed out during a Trading Day, clause 9.3 of this T&Cs will continue to apply to your long and short Positions until 24:00 (GMT) on such Trading Day and will apply to the balance of your outstanding long or short Position (if any) in the relevant Underlying Instrument with effect immediately after 24:00 (GMT) on such Trading Day.

Timing of Payments

Any payment due by either us or you under this clause 9 will be made by us adjusting the Account immediately.

PRICING AND QUOTES

Quotes

- (a) Upon your request and in accordance with this clause 11.1 we will quote a higher and lower figure for each Contract (i.e., the Bid Price and Ask Price). These figures will be either effectively based on comparable Bid and Ask prices in the Underlying Market, aggregate prices in the Underlying Markets if the Underlying Instrument trades on multiple Underlying Markets, or they will be our own Bid and Ask prices.
- (b) You acknowledge that our Spreads can widen significantly in certain circumstances and that they may not necessarily be the same size as any examples given by us to you and that there is no limit on how large they may be.
- (c) You acknowledge that when a Contract is closed out, the Spread may be wider or smaller than the Spread when the Contract was opened. You acknowledge that such figures will be set by us in our reasonable discretion. The Spread quoted by us will reflect our view of prevailing market conditions.
- (d) You acknowledge that our quotes for dealing in the Products are indicative only and so, are subject to the actual quote at the time of execution of your Contract. There is no assurance that the Contracts will actually be dealt with at the indicative quote, especially if you delay placing the Order.
- (e) We may at any time in our discretion without prior notice impose limits on our Products in respect of particular Underlying Instruments. Ordinarily, we would only do this if the market for the particular Underlying Instrument has become illiquid or its trading status has been suspended or there is some significant disruption to the markets, including the Trading Platform.
- (f) You should be aware that the market prices and other market data which you view through the Trading Platform or other facilities which you arrange yourself may not be current or may not exactly correspond with the prices for the Products offered or dealt by us.
- (g) If you access your Accounts and the Trading Platform outside of the hours when Orders may be accepted, you should be aware that the Orders may be processed at a later time when the relevant exchange or market is open to trading, by which time the market prices (and currency exchange values) might have changed significantly.
- (h) We may notify you of certain Products in respect of which we will not provide a quote, restrictions on the amount for which we will price, or other conditions that may apply to our quote, but any such notification (or failure to notify) will not be binding on us.
- (i) Our provision of a quote (Trading Platform or otherwise) does not constitute an offer for you to open or close out a Transaction at those levels.
- (j) You can only enter into a Contract at the quote provided by us (including through the Trading Platform). We may, acting reasonably, accept or reject your Order at any time until the Contract has been executed or we have acknowledged that your Order has been withdrawn.
- (k) You should note that:
 - (i) prices that may be quoted or traded upon from time to time by third parties do not apply to trades and dealings between us and you;
 - (ii) we, in our absolute discretion, may quote different prices to different Clients and trade at different prices with different Clients;
 - (iii) the rights and obligations of you and us under Contracts are principally to make and receive such payments as are provided in this T&Cs.

Choice to Deal

- (a) Except where:
 - (i) we exercise any of our rights to close out a Contract; or
 - (ii) a Contract closes automatically;
 it is your responsibility to decide whether or not you wish to deal at those prices.
- (b) If you decide to deal at the prices indicated by us, you may make an offer to us to deal at that price. We may choose, in our absolute discretion, whether to accept or reject any offer to deal made by you.

ORDERS

Orders

- (a) You enter into a Contract with us by placing an Order and when that Order has been received and accepted by us. Our acceptance of an Order to open or close out a Contract, and thus the execution of the Contract, will be evidenced by a Confirmation.
- (c) Please refer to our Trading Platform for all of the types of Orders we make available for a specific Product. Please note that not all types of Orders are available on all Products. All of the Orders are non-guaranteed. We may refuse to accept any Orders on any trade.
- (b) Any delay or errors in the transmission of an Order or the execution of your instructions will not be our responsibility nor are we liable for them (except to the extent that responsibility cannot be excluded by law).
- (c) If we become aware that any of the factors set out in clause (d) (but we are not limited to only these factors) are not satisfied at the time you place an Order (in our reasonable opinion), we reserve the right to reject your Order. If we have already opened or closed out a Contract prior to becoming aware that a factor set out in clause (d) has not been satisfied (in our reasonable opinion) we may, in our absolute discretion, either treat such a Contract as void from the outset or close out the Contract at the prevailing price or take any other steps that we consider necessary (as determined by us).
- (d) The factors referred to in clause (c) include, but are not limited to, the following:
 - (i) the relevant quote must be obtained from us;
 - (ii) the relevant quote must not be expressed as being given on an “indicative only” or similar basis;
 - (iii) if you obtain the quote electronically via the Trading Platform, your Order and our acceptance of it, must be given while the quote is still valid;
 - (iv) the quote must not be a Material Error;
 - (v) when you place an Order, the number of shares, contracts or other units in respect of which the Contract is to be opened must be neither smaller than the Minimum Trading Size nor larger than the Maximum Trading Size;
 - (vi) when you offer to close out part but not all of a Contract, both the part of the Contract that you offer to close out and the part that would remain open (subject to our acceptance of the Order) must not be smaller than the Minimum Trading Size;
 - (vii) a Force Majeure Event must not have occurred;
 - (viii) when you offer to open a Contract an Event of Default must not have occurred, nor must you have acted in such a way as to trigger an Event of Default;
 - (ix) when you offer to open or close out any Contract, the opening of the Contract must not result in you exceeding any credit or other limit placed on your dealings with us.
- (e) We may refuse to accept an Order (including but not limited to any Order that relates to black-box trading, scalping or any similar trading practices) and we may place a limit on any Order or place other conditions on the receipt of instructions or Orders, in our absolute discretion and for any reason.
- (f) We may at any time use, add and change filters within the Trading Platform which prevent delivery of Orders or execution of Orders. We will notify you of any refusal or limitation as soon as reasonably practicable, unless we are prevented by law or a direction from a regulatory authority from notifying you.
- (g) We may cancel or amend an Order:
 - (i) if required by the Applicable Laws to do so;
 - (ii) in the event of an error (including a Material Error);

- (iii) if we consider the cancellation or amendment appropriate, having regard to the desirability to maintain a fair and orderly market, our obligations as the holder of an AFSL or as a participant or user of the relevant exchange and our other legal and regulatory obligations; or
 - (iv) if the Underlying Instrument, the subject of the Contract has been subject to a trading halt on an exchange and you have not reconfirmed instructions.
- (h) We reserve the right to refuse an Order which is larger than the Maximum Trading Size. Our quote for a Contract equal to or greater than Maximum Trading Size is not guaranteed to be within any specific percentage of any Underlying Market or related market quotation and our acceptance of your Order may be subject to special conditions and requirements that we will notify you at the time we accept your Order.
- (i) We will make reasonable efforts to effect any instructions to cancel or amend Orders as quickly as possible. If, however, an Order is filled prior to a cancellation or amendment instruction being effected, you are obliged to accept the Contract on the original terms prior to your amendment or cancellation instruction, unless the Contract is itself cancelled or amended.
- (j) You acknowledge that we do not operate any discretionary accounts and we will, unless otherwise expressly provided by this Agreement, only act on your instructions.
- (k) Unless otherwise specified in this T&Cs, all Orders will remain open until either cancelled by you or purged by the Trading Platform. We do not accept responsibility for reinstating lapsed Orders or for contacting you to seek new instructions.
- (l) You must not instruct us to submit an Order to enter into a Contract which would breach or cause us or any other person to breach any Applicable Laws including, without limitation, any law or the Rules in relation to:
 - (i) market manipulation, false trading, market rigging, fictitious transactions, black box trading, high frequency trading, scalping, wash trading or matching of Orders;
 - (ii) insider trading;
 - (iii) short selling;
 - (iv) creating a disorderly market or otherwise prejudicing the integrity or efficiency of the market; or
 - (v) misleading or deceptive conduct.

Margin Requirements to Fill Orders

- (a) An Order which involves an instruction to us to open a Contract above a certain price will not ordinarily be filled unless at the time when the price reaches the relevant limit and your Account contains sufficient trading resources to cover the Initial Margin for the trade which is to be opened.
- (b) You will remain liable for any Losses in your Account which may be realised as the result of the filling of an Order, regardless of the trading resources available on your Account at the time the Order was filled.

Our Right to Impose Stop Loss Orders

We may impose a Stop Loss Order on any of your open Positions where we believe such action is necessary or desirable to limit the losses on any of your Positions including, but without limitation where:

- (a) we have any reason whatsoever to think that you will not pay us money that is or may become due to us; or
- (b) you make any statement to us which we have reason to believe may not be true; or
- (c) you fail to do anything that you have undertaken to us that you will do; or
- (d) we are having difficulty in communicating with you and there are grounds for believing that this is because you have failed to take reasonable care to ensure that you are contactable by us at all times. Such grounds will arise if (whether or not in order to make a Margin Call) we dial all the phone numbers given by you to us but are unable to speak to you personally and:
 - (i) we leave a message on any message-taking facilities offered but we do not hear from you within thirty (30) minutes of leaving the message (or, if we leave more than one, the first message we leave, although if we leave or attempt to leave a message, either with a person who offers to take a message or on an automated message-taking service but for any reason it does not reach you we will nonetheless be deemed to have left a message for you); or
 - (ii) no message-taking services are offered and we dial all the numbers given by you again after a period of not less than thirty (30) minutes and are still unable to speak

with you at once.

Informing You of Orders We Impose

As soon as reasonably practicable after imposing a Stop Loss Order we will attempt to inform you that this has occurred via the Trading Platform. We are under no obligation to take any other steps to inform you of the Stop Loss Order and a failure for any reason to inform you of the imposition of a Stop Loss order will not affect the validity or enforceability of that Stop Loss Order.

Allocation Policy

- (a) Intelligent Financial Markets will deal fairly and in due sequence with all Orders having regard to Australian legislative and regulatory requirements, market practices and Intelligent Financial Markets's compliance policies and procedures.
- (b) To the extent that it is reasonably practicable to do so, Intelligent Financial Markets will allocate all Contracts (including Contracts effected pursuant to Orders placed on Intelligent Financial Markets's own account) in the sequence in which Intelligent Financial Markets receives those Orders, subject to filters and compliance review and to any delay or technical faults connected with or arising through the use of the Trading Platform or any other delay that is outside the control of Intelligent Financial Markets.

PRICE MANIPULATION, GAMING, MARKET ABUSE AND MATERIAL ERRORS

Price Manipulation, Gaming and Market Abuse

If we believe that you (including any Authorised Persons and Attorneys) have (or attempted to) manipulated our prices, our execution processes or our Trading Platform, or "gamed" or "attempted to game" our Trading Platform or attempted some form of market abuse or market misconduct, we may in our sole and absolute discretion, without notice to you do any one or more of the following (to the extent permitted by law):

- (a) enforce the trade(s) against you;
- (b) treat some of or all your trades as void from the inception;
- (c) withhold any funds suspected to have been derived from any such activities;
- (d) make any resultant corrections or adjustments to your Account;
- (e) suspend and/or close your Account;
- (f) terminate this T&Cs; and/or
- (g) take such other action as we consider appropriate.

MATERIAL ERROR

- (a) It is possible that errors, omissions or misquotes (**Material Error**) may occur in relation to our Products, which by fault of either of us or any third party, is materially incorrect when taking into account market conditions and quotes in Underlying Instruments which prevailed at the time. A Material Error may include an incorrect price, date, time or other characteristic of a Product or any error or lack of clarity of any information.
- (b) In deciding whether an error is a Material Error we will act reasonably, and we may (but not obliged to) take into account any relevant factors including, without limitation, the state of the Underlying Market at the time of the Material Error or any error in, or lack of clarity of, any information source or pronouncement upon which we base our quoted prices. Any financial commitment that you have entered into or refrained from entering into in reliance on a Contract with us will not be taken into account in deciding whether or not there has been a Material Error.
- (c) If a trade is based on a Material Error, we reserve the right to do any of the following without your consent:
 - (i) amend the T&Cs of the Contract to reflect what we consider to have been the fair price at the time the Contract was entered into and there had been no Material Error;
 - (ii) close the trade and any open Contracts resulting from it;
 - (iii) void the Contract from the outset; or
 - (iv) refrain from taking action to amend or void the Contract.
- (d) We will exercise the right in clause (c) in good faith and as soon as reasonably practicable after we

become aware of the Material Error. To the extent practicable, we will give you prior notice of any action we take under this clause; but if it is not practicable, we will give you notice as soon as practicable afterwards.

- (e) In the absence of fraud on our part, we are not liable to you for any Loss, cost, claim, demand or expense that you incur or suffer (including loss of profits or indirect or consequential losses), arising from or connected with the Material Error including where the Material Error arising from an information service on which we rely or action (or omission) taken (or omitted) by us as a result.
- (f) In the event that a Material Error has occurred and we exercise our rights under clause 3, we may, without notice, adjust your Account or require that any moneys paid to you in relation to the Contract the subject of the Material Error be repaid to us as a debt due payable to us on demand.

MARGIN

Margin Requirements

- (a) Before you acquire a Product from us, you will be required to provide us the Initial Margin for that Contract. The full value of the Initial Margin must be placed on your Account before a Contract is opened.
- (b) Owing to the volatility of the market, the amount of required Margin may change after a Contract has been opened, requiring a further payment for Margin known as the Variation Margin.
- (c) Our general Margin Requirement for different types of Products appear on the Trading Platform, as amended from time to time, and may be supplied to you on request. However, we reserve the right to determine specific Margin Requirement for an individual Contract.

Exceptions

Subject to the Applicable Laws, the requirements imposed under clause 13.1 will vary in the following circumstances:

- (a) we have expressly advised you in writing that you have an Account type that allows for longer payment periods in respect of Margin, in which case you must pay Margin in accordance with the payment periods advised to you;
- (b) we have expressly agreed to reduce or waive a part of the Margin that we would otherwise require you to pay us in respect of a trade; the period of waiver or reduction may be temporary and must be agreed in writing by us. Any such agreement will not restrict our right to seek further Margin in respect of the trade or open Positions at any time thereafter; and
- (c) we agree otherwise in writing, in which case you will be required to comply with such T&Cs as stated in such written agreement.

Margin Percentage, Margin Call Level and Stop Out Level

- (a) A Margin Call will be made via the Trading Platform. We may also, but are not required to, notify you by a notice issued in accordance with clause 25, or a telephone call to you, any Authorised Person or a person whom we can reasonably expect is authorised to receive a Margin Call.
- (b) It is your responsibility to notify us of your contact details and of any changes in your contact details immediately, so that you can be contacted by us. You acknowledge that we are not liable for any losses (including indirect or consequential losses), costs, expense or damages incurred or suffered by you as a consequence of your failure to do so. Your failure to be contacted does not affect the validity of any Margin Calls or your obligation to satisfy these calls.
- (c) Margin Calls are made on a net Account basis i.e. if you have several open Contracts, then Margin Calls are netted across the group of open Contracts.
- (d) You acknowledge and agree that Margin Calls should be payable immediately.
- (e) When a Stop Out Level is reached, we are entitled to (but are not obliged to):
 - (i) cancel any existing Orders; and
 - (ii) close some or all of your open Contracts,

at our absolute discretion whilst it is not an Event of Default. We will not be responsible for any losses you may suffer or incur in connection with any such closing of your open Contracts or any lack of closing thereof.

- (f) We may but are under no obligation to notify you if your Account is approaching or has reached the Stop Out Level. The fact that we may have notified you previously is not an indication that we will do so in the future.

Changing Margin Percentage, Margin Call Level and Stop Out Level

- (a) We may vary the Margin Percentage, Margin Call Level and Stop Out Level at any time at our discretion.
- (b) We will notify you of a change in the Margin Percentage, Margin Call Level and Stop Out Level on your Account on the Trading Platform, or by any other means including email, or by posting notice of increase on our Website. Any changes will take immediate effect, unless otherwise specified by us, on notice to you, including any deemed notice in accordance with clause 25 of this T&Cs, and may apply to both existing and new Contracts.

Notification of Changes

We will notify you of a change in the Margin Percentage on your Account on the Trading Platform, or by any other means including email, or by posting a notice of increase on our Website. Any increase in Margin arising from an increase in the Margin Percentage will be due and payable immediately on notice to you, including any deemed notice in accordance with clause 28.6 of this T&Cs.

You agree and acknowledge that any variation of the Margin Requirements under clause 13.4 of this T&Cs may take immediate effect on and from you upon the change being notified to you under this clause, and may apply to both existing Contracts and new Contracts.

Crediting Payments

A payment by you is credited by us at the time cleared funds have been received and credited to the account nominated or such earlier time as allowed by us. A payment to maintain open Contracts or to meet a Margin Call is not satisfied unless and until your payment is received in cleared funds solely to the account of or benefit of us or as we direct, and not merely by way of evidence of attempts to pay or attempts to make an electronic funds transfer.

You Must Pay and Monitor Margin

- (a) You must pay to us such amounts by way of Margin as required under this T&Cs, including but not limited to Margin as referred to in this clause 13.
- (b) Your failure to pay any Margin or comply with your obligations in connection with Margin Requirements under this T&Cs will be regarded as an Event of Default for the purposes of clause 17.
- (c) Margin payment must be made in the form of cleared funds (on your Account with us) unless, by separate written agreement, we accept other assets from you as collateral for payments of Margin.
- (d) In addition, if you do not wish us to be able to exercise our rights under clause 13.3(f), you will ensure that at any time Net Equity is above the applicable Stop Out Level.
- (e) Notwithstanding any other terms of any document, we are not under any obligation to keep you informed of your Account balance, Margin Requirement or to make Margin Calls.
- (f) Through the Trading Platform you will have access to your Account and sufficient information to enable you to calculate the amount of any Margin Requirement due from you in the Base Currency under this T&Cs and the total amount of Margin due from you in the Base Currency using our Exchange Rate. It is your responsibility to ensure that you obtain all relevant information in respect of your Account, including all information in respect of your current open Positions. We will not be responsible for any losses you may suffer or incur as a result of you not obtaining or requesting any such information.
- (g) It is your responsibility to monitor at all times (including by checking on the Trading Platform) the amount of Margin deposited with us from time to time against the amount of the Total Margin Requirement under clause 13 of this T&Cs and any additional Margin that may be necessary or desirable.

Margin Calls

- (a) Notwithstanding any other terms of any document, we are not under any obligation to keep you informed of your equity, Margin Cover and Margin Requirement by making a Margin Call.
- (b) You accept and agree that we may not be able to provide you on-line access through the Trading Platform to information on the Account. You accept and agree that we may not provide a Margin Call before exercising our rights (including to close your Positions) under this T&Cs.
- (c) It is your responsibility to notify us of your contact details and of any changes in your contact details immediately, so that you can be contacted by us. You acknowledge that we are not liable for any Loss (including indirect or consequential loss), costs, expense or damages incurred or suffered by you as a consequence of your failure to do so.

Time Allowance for Forwarding Margin

We are not obliged to allow you time to forward further funds to meet such Margin Calls before exercising our rights (including to close out your Positions) under this T&Cs. However, where we, in our absolute discretion, do allow you time to meet your Margin Requirements, that permission will only be effective once it is confirmed in writing by us, and only to the extent specified in the written confirmation given by us through a Confirmation.

If you do not in full and on time meet your Margin obligations, your failure is automatically an Event of Default (under clause 18) without the need for any other notice or event.

FEES AND CHARGES

Fees and Charges for the Products and Services

The applicable fees and charges are set out in Schedule 4 of this T&Cs.

You Must Pay Us Fees and Charges

- (a) Any profit or loss net of any fees and charges (that is, the realised gain or loss) arising on closing out of a Contract will be credited or debited (as the case may be) against the Account value, in the Base Currency.
- (b) You owe us, and must pay to us or as we direct:
 - (i) any transaction charges including all Commission, Swap and Rollover Charges, fees, Margins, premium, settlement and clearing fees and charges, interest, default charges and taxes (including GST but excluding our income tax or penalty tax and levies) and any other amounts due under the Agreements on demand by us in cleared funds or otherwise as required by the Agreements;
 - (ii) any Transaction Fees for each Product or Contract (as the case may be) being the fee from time to time specified by us to be the amount payable by you to us in respect of each such Contract;
 - (iii) Any Swap and/or Rollover Charges adjustments to any Contracts or Account;
 - (iv) any fees, Taxes, stamp duty or other charges as may from time to time be levied on or in connection with any Contracts entered into with you; and
 - (v) in respect of any unpaid amounts required to be paid under the Agreements.
- (c) Any amount or rate or formula for Transaction Fees or any other fees which is to be specified by us may be specified by a supplementary schedule to this T&Cs or in any other permitted way of notifying you, such as on our Website or the Trading Platform. The amount of any fees and charges or other amounts payable by you to us in respect of any Contract will be set out in the Confirmation of that Contract or the Trading Platform to the extent known at the time.
- (d) Unless otherwise agreed, the terms of any amounts payable by you under the Agreements are stated exclusive of GST. If GST is payable on a taxable supply made by us under, by reference to, or in connection with the Agreements, you must also pay the amount of GST payable in respect of that taxable supply. We will when required by law and as far as practicable state in Confirmations (or Account statements, if applicable) the amounts as GST-inclusive. We will manage any credit granted to us for any GST refund, input credit or similar tax credit in accordance with its policy from time to time.
- (e) Owing to the complexity, delays and changes in laws and administration of such tax refunds and

credits from time to time, we are not obliged to provide credits or other benefits to each client if those benefits cannot reasonably be allocated to respective clients. We endeavour to apply a policy for such adjustments by which it has no net benefit over time, having regard to the timing, nature and amounts of refunds and credits, the basis on which they are provided to us and the direct and indirect costs to us in providing the Trading Platform and relevant transactions through it. Terms which have a defined meaning in the A New Tax System (Goods and Services Tax) Act 1999 have that meaning in this document.

- (f) The amounts of or basis of calculating the fees, Commissions, charges and credits referred to in this clause 14 will be as notified from time to time in writing by us, either by way of an updated T&Cs, posting on the Trading Platform (including by way of Contract Prices), notification to your contact address, posting to our Website or as otherwise agreed with you or permitted by this Agreements.
- (g) If:
 - (i) you are required to make a deduction or withholding in respect of Tax from any payment to be made; or
 - (ii) We are required to pay any Tax (other than income tax) in respect of any payment made in relation to the Agreements at your request,then you:
 - (i) indemnify us against the Tax; and
 - (ii) agree to pay to us an additional amount to ensure we receive a net amount (after payment of any Tax in respect of each additional amount) that is equal to the full amount we would have received had a deduction or withholding or payment of Tax not been made.
- (h) You must reimburse us for all fees (both direct and indirect) and expenses charged in connection with any Contract (other than Tax on the income of ours) and for all costs and expenses incurred by us in implementing the Agreements and in enforcing our rights under the Agreements (including its legal costs of external or internal legal advisers on a full indemnity basis).
- (i) You acknowledge that you are responsible for your own legal costs associated with or arising from (at any time) entering into the Agreements and for all Taxes and expenses incurred by you in connection with the Agreements.

Timing of Credits, Deductions or Fees Which You Are to Pay from Your Account

- (a) Any charges will be deducted from your Account on the day the charges were incurred and any benefit will be paid on the day on which it was derived.

- (c) If a Position is closed at a profit that profit will immediately be credited to your Account and your Margin will be adjusted accordingly, subject to clauses 0 and 0 of this T&Cs.

Incorrect Crediting of Account

- (b) All payments by you under this Agreement are to be made without any set-off by you, counter claim or condition made by you and without you making any deduction or withholding for any Tax or any other reason unless the deduction or withholding is required by applicable law or the set-off arises by express application of this Agreement.
- (c) Time is of the essence in respect of any payment obligation under this Agreement.

Payments We Owe You and You Owe to Us Are Offset

- (a) If on any day, the same amounts are payable under this T&Cs in respect of the same Account by either you or us to the other in the same currency, then, on such date, each of our obligations to make payment to such amount will be automatically satisfied and discharged.
- (b) On the other hand, if the aggregate amount that is payable by one of us exceeds the aggregate amount that is payable by the other in the same currency, then the one who has to pay the larger amount must pay the excess to the other, and the obligations to make payment of each party will be satisfied and discharged.

- (b) When your Account is in credit, you may request that we effect payment by alternative means of the amount in credit of such amount as you may specify. However, we may at our discretion withhold from the amount of the credit balance if:

 - (ii) we consider that further amounts may be required to meet any current or future Margin Requirement on open Positions due to Underlying Market conditions;
 - (iii) if you have any contingent liability to us (or to any of our associates), in respect of any other Account open with us;
 - (iv) we determine that there is an unresolved dispute between us and you in connection with this T&Cs or any Positions; or

Schedule 4 – Fees

The fees and charges when dealing in our Products may incorporate any or all of the following:

Swap Charges and Swap Benefits

When you hold a Position or Positions overnight (other than an Excepted Contract) they will be rolled to the next Trading Day resulting in you paying a Swap Charge or receiving a Swap Benefit. The amount is determined by us and depends on our Swap Rate, being the rates at which you receive or pay interest on Positions that remain open overnight. This is a varying rate.

Swap Charges and Swap Benefits will be accrued in the swap value field of your open Contracts. In the event there are insufficient funds in your Account, any amount due to us because of the Swap Charges becomes a debt due and owing by you to us.

Please refer to our Trading Platform for the applicable Swap Rate.

Rollover Charges and Rollover Benefits

A rollover will arise in Excepted Contracts, such as Commodity CFDs and Index Futures CFDs, when the underlying front month futures contract is approaching the Expiry Date and we change our CFD pricing feed from the front month to the Next Serial Futures Contract. When the new price feed takes effect, you will immediately create a gain or loss in your open trade equity. This profit or loss will depend on your Position size and direction and the price differential of the expiring Contract and the new Contract on which the price will be now based. You will be credited or debited with a Rollover Charge or Rollover Benefit that will fully offset the effect of the abovementioned profit or loss.

Rollover Charges and Rollover Benefits will be incurred at the time when the rollover occurs and you will immediately receive a gain or loss in the relevant Position. In the event that there are insufficient funds in your Account, any amount due to us because of the Rollover Charges becomes a debt due and owing by you to us.

Please refer to our Trading Platform for the applicable Rollover Rate.

Conversion Fees

This is a varying rate. Please refer to our Trading Platform for the applicable Rollover Rate.

Interest Charges Applied to Debit Balance in Your Account

If there is a debit balance in your Account after the Margins for our Products have been taken into account, (i.e. you owe money to meet the Margin Requirement), you will pay us interest on the debit balance at the rate of 5% per annum above the overdraft rate charged by our banks or at a rate agreed in writing between you and us.

Interest accrues and is calculated daily from the date payment was due (irrespective of any grace period) until the date you pay in full and is compounded.

Commissions

There may be Commissions payable on trades executed in some of our Products. Such Commissions for both opening and closing will be charged upon opening of the Contract. The details of any Commissions payable are available on the Trading Platform, and you should check those details before entering into a Contract with us.

Corporate Action Charges and Corporate Action Benefits

When a Corporate Action or an Insolvency Event occurs in relation to any Underlying Instrument and/or its issuer we may, acting in a commercially reasonable manner, make adjustments to your open Positions and open Orders to reflect those actions and to put you in a position as close as possible to that of a direct holder of the Underlying Instrument noting that you may not get all the benefits such as tax benefits, credits or deferrals.

We are entitled not to provide you with the full benefit of a Corporate Action where we do not receive the benefit of a Corporate Action from our hedging counterparty.
